*Love*

Two blue footprints, one slightly larger than the other, are positioned in the center of the word "Love". The prints have a textured, leaf-like pattern.

*you to the moon*

A large blue handprint is positioned in the center of the word "moon". To its right is a smaller blue footprint. Both have a textured, leaf-like pattern.

*and back*

*Love*

The word "Love" is written in a flowing, cursive black font. A thick black line starts from the top left, curves down to the left of the "L", then loops back up and to the right around the "o", and finally slopes down towards the end of the "e". To the right of the "o", there are two blue footprints. Each footprint has a distinct leaf vein pattern on its sole, resembling a maple leaf. The footprints are oriented with their toes pointing towards the right. The background is plain white.
